

FX-920

The World's Most Popular Full-Power Tilt Exam Chair

Look closer. See further.

HAAG-STREIT RELIANCE

FX-920
Patented Full-Power Tilt Exam Chair

Ergonomic Features

Memory programming cuts wasted movement and improves efficiency.
Dual-side operation controls improve access to patient.
Adjustable headrest and armrests lock with a single hand.
Power tilt eliminates physical recline motion.
Dual-rotation locks allow you to swivel chair 340° without moving.
Large hinged footrest safely supports patient's full weight.
Corded footswitch allows for hands-free patient positioning.

Power Hydraulic Base and Reclining Top

Finger switches and a corded footswitch raise, lower or tilt chair into position without breaking patient contact, or jolting them. Auto-return button returns patient upright.

Ultra-Durable Membrane Switches

Backlit membrane switches last 10-times longer than their mechanical counterparts. They're also safer because they run at low voltages. A programmable safety function prevents unwanted operation of the chair.

Finishes and Upholstery

- Hand-sewn upholstery covers high-density foam that lasts for years.
- Removable cushions for easy cleaning or replacement.
- Base available in #20 Pearl.
- All materials are fire retardant.
- 6 standard vinyl colors and endless custom selections.

The Mark of Quality

The FX-920 has passed all rigorous laboratory tests, affirming its safety and durability, achieving ETL, C/US certificate of compliance.
